RE/MAX[®] Partners

SAME LOCATION 19 YEARS...

While other offices are closing, downsizing, and making changes, **Re/Max Partners** continues to grow.

We've remained in the same location for nearly 20 years, and one of the top offices in the Inland Empire for 15 years!

The best office in the Inland Empire, don't take our word for it, ask our agents!

Tara has been with Re/Max Partners since they opened their doors in 1990, whereas I, April, joined in 1997. We have been staunch supporters of not only the Re/Max Network, but Re/Max Partners, which has been the number one office in the Inland Empire for a number of years during their twenty years in the business. Being affiliated with such a top office gives us the bragging rights to say we're with 'one of the best!' While Re/Max is one of the most recognizable real estate brands in the world, few may not know that it stands for Real Estate Maximums: maximum knowledge... maximum service... maximum dependability... to name a few. The broker/owners of Re/Max Partners, Harold Wasson and Sharon Rotondo, may as well be blood relatives, for we are as loyal to them as our own families. Staying with the same company for so many years proves that Re/Max Partners is doing something right to earn your business and to stay on top!
