RE/MAX[®] Partners

SAME LOCATION 19 YEARS...

While other offices are closing, downsizing, and making changes, **Re/Max Partners** continues to grow.

We've remained in the same location for nearly 20 years, and one of the top offices in the Inland Empire for 15 years!

The best office in the Inland Empire, don't take our word for it, ask our agents!

Here's what
Dave Larsen
has to say about
Re/Max Partners

I feel, the name "Partners", sums up exactly the feeling I have every day when I walk in the door. Harold Wasson, Broker/Owner and Sharon Rotondo, President/Owner, aren't untouchable entities in the office. They have an open door policy and over 70 years combined real estate experience to draw on. Their willingness to listen and offer priceless advise has helped me to catapult my business to levels I had only dreamed about. They've created partnerships with the best lenders, title and home warranty representatives in the business to give me the tools I need to succeed. Finally, the agents in our office help each other and push each other to exceed our own limits to become a member of a great team and take pride in helping keep Re/Max Partners as the #1 office in the Inland Empire. I'm proud to say that Re/Max Partners has been my home for the entire 10 years I've been a licensed Realtor. My life has only changed for the better since I signed in, and I know that this is where I will stay for my entire career.
