Here's What Lizbeth D. Hibbs Says About **RE/MAX Partners**

My name is Lizbeth D. Hibbs and I am a Real Estate Agent for RE/MAX Partners in Corona. I have been a real estate agent for eleven years. Prior to RE/MAX Partners, I worked for two other real estate companies.

It was difficult to get answers with the other companies when needed. They were all about the meetings and if by chance you missed the meeting your problem could not be addressed. As a busy real estate agent, wife, and mother, it is not always possible to be at all the meetings. I realized in order to grow and become more successful I needed more support. I decided to interview with RE/MAX Partners because so many other agents in the industry were always praising RE/MAX Partners. I decided to go talk to the Broker, Harold Wasson. I was so impressed with him and how he runs his company I made the decision to join their team. This was a decision I did not take lightly because making a change could be costly and I had already established a reputation with another company. It has been the best decision I could have ever made. I have been with RE/MAX Partners now going on nine years! I have been extremely successful beyond all my dreams. My experiences have been nothing but positive. Harold Wasson and Sharon Rotondo run a very professional office. The Agents are very helpful to each other and positive. The front office staff is polite and also helpful. Our on-site escrow department is first class.

I would also like to thank Harold, Sharon, and colleagues for their caring support during my recent battle with breast cancer. They were like a family to me!

In short, RE/MAX Partners is a great company with outstanding ownership and agents. I fully recommend RE/MAX Partners in Corona for any of your real estate needs.

Sincerely,
Lizbeth D. Hibbs
