

RE/MAX PARTNERS REAL ESTATE

20TH ANNIVERSARY

Here's What Nora De La Torre Says About Re/Max Partners

After interviewing with several offices in the local area, I joined Re/Max Partners because as soon as I walked in the door I knew this was the office for me! In just a short period of time, I truly found the place that I am proud to call my office. I have met a lot of great friends & colleagues that I admire and respect.

Sharon Rotondo, President and staff work so hard to keep this office running smoothly for all of us and we are so grateful for them. Also, our inside Escrow department is simply excellent!

Sandi Gordon is such a great addition to this office. She is always looking for the best opportunities and services to improve our business.

Last but not least, the icing on the cake is having the honor to work with our Broker, Harold Wasson. He's truly a blessing to all of us. His passion is to see us prosper, succeed, and take our business to the next level. This passion is what truly makes this office above the crowd.

Come join the Re/Max Partners family or just come check it out. Either way, we'd love to have you come in.

If you or anyone you know needs help: I focus and specialize in helping homeowners who are facing hard financial times and may be facing foreclosure. Give me a call, I would love to earn your business.
